Registration"

Begin Registration

By creating your TRANSFLO Mobile account you agree to our [Terms of Usage](#).

Basic Information Setup

The screenshot shows a mobile app interface for a registration form. The title bar is dark blue with a back arrow, the text 'Registration', and a 'Next' button. The status bar at the top shows 'TestFlight', signal strength, Wi-Fi, '8:03 AM', and '98%' battery. The form has four input fields, each with a red box annotation and an arrow pointing to the field:

- E-mail:** The annotation says 'The driver must type in their email address and make sure there are no typos.' The field label is '* E-mail' and the hint text is 'Up to 50 symbols, required'.
- First Name:** The annotation says 'The driver enters their first name here.' The field label is '* First Name' and the hint text is 'Up to 50 chars, required'.
- Last Name:** The annotation says 'The driver enters their last name here.' The field label is '* Last Name' and the hint text is 'Up to 50 chars, required'.
- Phone:** The annotation says 'The driver enters their phone number here.' The field label is '* Phone' and the hint text is 'Required'.

Below the phone field is a large, empty light gray rectangular area.

AFTER FILLING OUT ALL THE INFORMATION ABOVE, THE DRIVER NEEDS TO CLICK "SAVE".

Driver Setup Instructions

The screenshot shows a mobile app interface for registration. At the top, the status bar displays 'TFW', signal strength, Wi-Fi, time '8:11 AM', and battery '93%'. The app header is 'Registration' with a back arrow on the left and 'Next' on the right. The main form has three input fields: 'Driver ID' (required, up to 50 chars), 'Pin' (optional, up to 50 chars), and 'Password' (required, up to 50 chars, with a 'Show' toggle). A white pop-up dialog is centered over the form, asking 'Are you a driver for KLLM Drive? If you are, please login. Otherwise choose Non-driver.' with two buttons: 'Non-Driver' and 'Login'. A red arrow points from a text box on the right to the 'Login' button.

The driver must click "Login" when this message pops up.

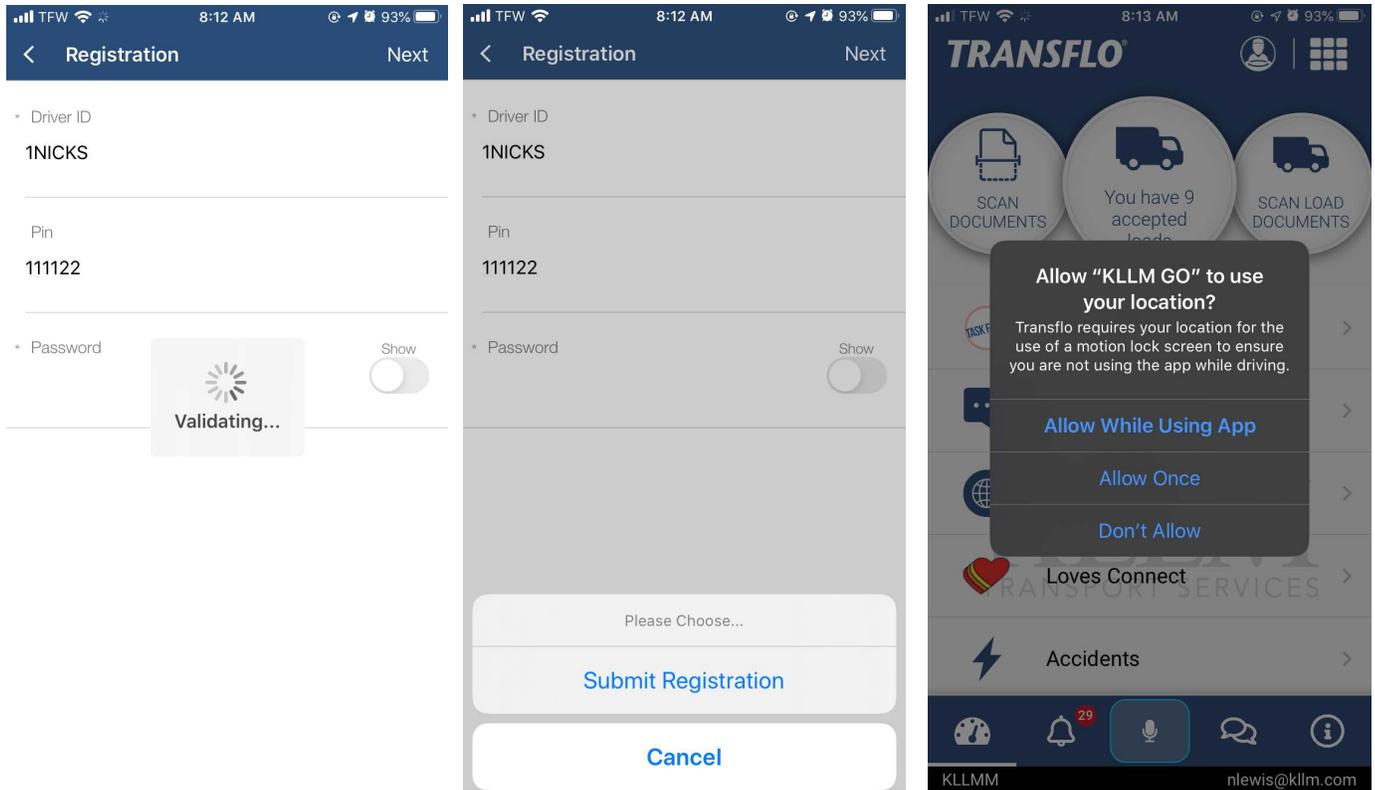

The driver needs to type in their short name here. Ex "1NICKS"

The driver needs to type in their pin number which is their employee number with a leading zero. Ex. "012345"

Password is a new field where the driver can choose their own password to login with. To change their password they must use their pin and type in the new password.

AFTER FILLING OUT THE ABOVE INFORMATION THE DRIVER MUST CLICK "NEXT".

Finishing Registration

After the driver clicks next on the registration page(left), they will see it start "Validating..." for a few seconds. After validation finishes a second box will pop up asking to "Submit Registration" (middle). Click "Submit Registration". Afterwards make sure to enable location services by clicking "Allow While Using App" on Iphone or "Allow all the time" on Android when the notification pops up(right).
